| <i>Residence and domicile</i>  | Via generale Da Bormida, 17, Polignano a mare, BA, Italy  |
| <i>Phone number</i>            | +393318054180   |
| <i>Driving license</i>         | B   |
| <i>E-mail</i>                  | a.d.gialluisi@gmail.com   |
| <i>Website</i>                 | <a href="https://adgialluisi-website.pages.dev">https://adgialluisi-website.pages.dev</a>   |
| <i>Linkedin</i>                | <a href="https://www.linkedin.com/in/antonio-daniele-gialluisi-253361374">https://www.linkedin.com/in/antonio-daniele-gialluisi-253361374</a> |
| <i>GitHub</i>                  | <a href="https://github.com/ad-gialluisi">https://github.com/ad-gialluisi</a>   |

## Languages

---

|                |               |
|----------------|---------------|
| <i>Italian</i> | Mother tongue |
| <i>English</i> | B2            |
| <i>French</i>  | A1            |
| <i>Spanish</i> | A1            |

## About me

---

I'm creative, observant, curious, very patient and often stubborn.  
I have good listening, dialectics, problem solving and analysis skills.  
I play videogames and listen to music as hobbies.

## Education

---

|           |  |
|-----------|--|
| 2013-2025 | Bachelor degree in Computer science ("Informatica e tecnologie per la produzione del software") at University of Bari "Aldo Moro", BA, Italy |
| 2007-2012 | High school diploma in Classical Studies with a focus on languages from "Galileo Galilei" High School in Monopoli, BA, Italy                 |

## Skills

---

Advanced experience in Java SE (Swing too), and Python (command-line programs mostly)

Upper intermediate in web programming with Javascript (vanilla), HTML, CSS, PHP, Apache httpd and MariaDB

Familiarity with database design, intermediate knowledge of SQL, using MariaDB and SQLite3

Familiarity with git and subversion

Advanced knowledge of Object Oriented and C concepts, upper intermediate knowledge of the language itself

Upper intermediate knowledge of configuration, maintenance, and command line on GNU/Linux systems, specifically Debian

Basic knowledge of configuration, maintenance and command line on Windows systems

Basic knowledge of architecture, design and programming patterns

## **Professional interests**

---

|                             |  |
|-----------------------------|--|
| <i>Developer</i>            | Strong interest in software development  |
| <i>Web developer</i>        | Intermediate interest in web applications' development   |
| <i>System administrator</i> | Intermediate interest in maintenance, configuration and in general, systems' management. Keen interest in learning hardware-level maintenance techniques |
| <i>Other</i>                | Available for roles aligned with my skills, but I am open to learn new ones, if needed   |

## **Work experiences**

---

None

## **Availability**

---

I'm available to work full-time immediately in the area of Bari (Italy) and its province.  
I'm also available to work remotely in other areas, including foreign countries.
